SPIRIT OF MOON VALLEY

This award recognizes the Moon Valley resident who encapsulates and displays the Christmas spirit in the form of hospitality and neighborly celebration, creating an atmosphere that everyone is invited.

WHITE CHRISTMAS

This award recognizes the most compelling monochromatic holiday display using all white lighting. Candidate homes will be judged on their effective use of white lighting to embrace the holiday spirit and highlight the architectural and/or the landscaping features of the candidate home.

THE NIGHT BEFORE CHRISTMAS

This award recognizes the best use of and incorporating a child-related theme into the Christmas display. Homes will be judged on creativity, originality, unique design, as well as creative use of lights and decorations.

SANTA'S HELPER

This award recognizes the outreach of the homeowner to encourage interaction from spectators as part of their decorations. Examples of such activity might include: Ringing doorbell for candy canes, being out front conversing with onlookers, or having Santa, Elves or other live Christmas characters. And of course your Christmas display has to be worthy.

IT'S A WONDERFUL LIFE

This award recognizes the most “traditional” Christmas display. Judges will be using the following guidelines: Use of traditional holiday décor items such as wreaths, bows, holly, candles, subtle lighting, outdoor Christmas trees, flock, poinsettias, etc. No blowup figures are considered traditional. To help visualize this category, think about images from Miracle of 34th Street.

JINGLE BELL ROCK

This award recognizes the best use and integration of multi-media combination of your Christmas light display with music. Candidate homes will be judged on the quality and design of the display as it is used in the choreography with your music. Overall design, variety of lights, use of color and choice of music are the major factors used in the judging.

GRISWOLD

This award recognizes the house that is most creative and uses as many holiday decorations and lights as possible. The lights may even be visible from outer space.

PATRIOTIC

This award recognizes the best incorporation of patriotic decorations into the Christmas display.
